PARKLAND HIGH SCHOOL
OREFIELD, PA.

par-key

Preface

The amicable character which graces the following pages is *Little Jasper* and he is our way of carrying out our theme, the Middle Ages. He is a jolly, lovable, laughable little man who is a symbol of light hearts and happy times. . . . our high school days.

In this annual, we have made liberal use of informal and candid photographs. We feel that these pictures tell, better than any words, the things we want to say. They bring deserved life and emphasis to the summation of our years at Parkland, and we hope that, in future years, they will serve as a source of many happy memories of these years.

We wish to thank all those who have aided us, both with this Par-Key, and with our other projects all through school. Our advisers, teachers, administrators, families, and friends — these are only a few of those who deserve our gratitude. So we present this yearbook, the 1961 Par-Key, hoping that it will meet with your approval. If it pleases you, our hours of work will not have been in vain.

OUR ITALIAN AMBASSADOR

Silvia Del Pozzo

August 21, 1960 was America at last for our second exchange student in the history of Park Hill. Silvia Del Pozzo, with her beautiful, warm, and distinct Italian accent, we have literally been held captive with her many tales of Italy. Since there are differences in social life, such as students striking against the school, their parties of groups and not couples, their beautiful seaside resorts, Silvia has instilled in us a desire to someday visit her homeland. Here in school the art room is her favorite place, while movies (in English), parties, eating, and sleeping take up most of her time in her American home.

Only ten months in America, but Silvia has loved every minute of it. June 27, 1961: It's farewell to Silvia and a long-remembered year for all of us.

LAST WILL AND TESTAMENT

Know all men by these presents that we, the Senior Class of Parkland High School, in the City of Orefield, and State of Pennsylvania, being in good health, and of sound mind and disposing mind and memory do hereby declare and present this our last will and testament, hereby revoking all former wills made by us at any time heretofore.

10. To Eileen Peters we present Sandy Snyder's ability as a typist.
11. To Tommy Kern we forward Doc Knapp's talent as a basketball player.
12. To Susie Harries we grant Chell Kemmerer's baton.
13. To Nevin Schantz we bequeath Ronnie Roth's agricultural ability.
14. To Sandy Kogelman we leave Joanne Marzano's felecity of dancing.
15. To Luke Wotring we give Dick Guth's gift of playing the trumpet.
16. To Marcia Roach we assign Frances Kokolus' gracious walk.

Mr. William Swallow

In Appreciation

The class of 1961 would like to express their deep appreciation to Mr. William Swallow who has the distinction of being Parkland's first art teacher and also an exceptional artist.

After graduating from Philadelphia Museum College of Art, Mr. Swallow began his teaching career at Germantown Academy. One year later he came to South Whitehall High School (later the name was changed to Parkland) and decided to settle here. For twenty-five years, he has been teaching at Parkland and using his artistic talent to capture our Pennsylvania Dutch culture and landscape.

Mr. Swallow's specialty is ceramic (fired clay) sculpturing and water color painting. He has exhibited his work in most of the major museums in the United States and Canada; and many museums including the Metropolitan Museum of Art in New York have purchased his pieces of sculpture.

Mr. Swallow has also accomplished much as a teacher at Parkland. One example is the unusually high rate of students who enter the field of art after graduating from Parkland.

We are proud to have him as a teacher and appreciate all he has done to enrich our lives art-wise.

VARSITY FOOTBALL

August 18th marked the opening of Parkland's 1960-61 Football season under the direction of their new coach Mr. George Eichnor.

The Trojans installed a new single wing formation which was quite a threat to their opponents.

Defending the backfield was Ben Glasenapp, Art Spitko, Tom Wolfe, and Ron Nederstok. As the single back, Ben Glasenapp presented a terrific defense. Halfbacks, Art Spitko and Tom Wolfe did a good job of decoying so that fullback Ron Nederstok would have a better chance to gain yardage.

Up front was the Trojan fortress. Ends, Gil Keller and A. Alf, were great at stopping passes while Tackles, Guy "Moose" Miller and Charles Trinkle took care of those who tried to run the ball. T. Oswald and A. Alf stopped at the line of scrimmage, the way we needed, and Ben Evans did a fine job as center.

Even though Parkland closed the season with a 1-9 record, we congratulate the boys on fine playing and wish them luck in the future.

Parkland fans are proud of their champion team, coached by Mr. Robert J. Weber. Some of the characteristics describing this year's team.

The Trojans easily captured the Lehigh Valley Christmas Tournament by defeating Emmaus, Fountain Hill, and Nazareth. It was the first time that a team from the Lehigh-Northampton League had won this tournament.

After defeating Fountain Hill in a first half play-off, the team breezed through an undefeated second half, but bowed gracefully out of the competition by being defeated by Catasauqua in the Inter-League playoff game. This made Parkland's seasonal record 24 wins and 3 losses.

Co-Captains of the Trojans were John Weber and Bill Phillips. John Weber was one of the most outstanding players, leading the team by scoring 347 points in all the games. Bill Phillips proved himself a capable ball handler and a good guard.

WRESTLING

The Parkland "muscle men" went into action again this year under the direction of Mr. William Young and Mr. Donald Williams.

Because wrestling is a different sport, the boys had to be in "tip-top" shape every time they met their opponents. Mr. Young and Mr. Williams had the ability to keep the boys in fine condition.

Bill Evans led the Trojans by finishing the season with 10 wins and a loss in the District XI Finals. Backing up Evans in a number of wins were Dave Ruch and Gary Miller.

The Trojans on the whole completed the season with 3 wins and 10 losses.

Even though the losses outnumbered the wins it is not always the score that counts, for in a sport such as wrestling the toughest opponent is the one who is the best in the sport.

Parkland has long had a reputation for producing fine baseball teams and this year was no exception. Coached by Mr. Robert Wilson and Mr. James Laddicoat, the 1961 edition of the Trojan baseball team displayed great teamwork and an eager spirit.

Returning lettermen helped form the nucleus of this year's team. At first base was fast moving George Archer. Second base was capably covered by Ronald Mohr. Third base was the domain of agile and able Gregory Loomis. The speedy outfield was filled in by Dick Muller, Gilbert Keller, Tom Bowman, and Phil Stanley.

Making up our fine pitching staff were Bob Mertz and Jen Hutchinson. Receiving for them behind the plate was Paul Heintzelman.

Manager of this year's team was senior Dick Guth.

Returning lettermen included: Gary Miller, discus throw and shot put; Ron Nederostek, runner; Alan Johnson, high jump and discus throw; L. Schaeffer, javelin throw, and Dick Snyder, runner. Dick was undefeated in the mile.

These boys accomplished many feats which helped the Trojans end the season with an 8-1 record. The track team also placed 2nd in the Lehigh Northampton League Meet and 3rd in the Bethlehem Relays.

Many thanks to these boys and their coaches, Mr. George Echnor and Mr. William Lohman, for a successful year.

Going in for their seventh year of playing, the Trojanettes were named one of the finest girls' teams in the Lehigh Valley.

Under the direction of Mrs. Clodagh Wotring, the girls practiced many hard hours after school. Their speed and skill developed steadily and by the end of the season had gained 10 wins and only 4 losses.

High scorer for the Trojanettes was Cathy Cassel with 249 points. Carol Smock was second with 260 points. Guards, Frances Kokolus, Louise Hunsicker, and Kay Wilson were the sparks that led the girls on to victory by their terrific blocking and interceptions.

We hope that this year's team with their fine shooting and guarding will inspire the girls for next year.

J. V. FOOTBALL

On August 18 a small but determined group of boys turned out as candidates for the "Baby Trojans." They were greeted by two new and capable coaches, Mr. Frank Reed and Mr. Donald Williams. The coaches worked long and hard to instill in the boys drive and determination which is needed to make a football team effective.

The "Baby Trojans" were led by Bob Peters, Jeff Speer, Arthur Peoples, Bob Ott, Ronald Moyer, and Lamen Snyder.

We know that this year's J.V.'s will add much needed depth to next year's varsity

Mr. John Ettinger led his J.V.'s in another fabulous basketball year. Out of the 21 games these boys played they lost only two games which were both to Fountain Hill.

The Co-Captains of this great team were Robert Stanley and Douglas Patt. They both boosted the team's scores by their terrific shooting. Bob Stanley had the high total of 269 points and Doug Patt had 259 points.

Timothy Dauscher, Douglas Huber, and Barry Beutleman were also a big asset to the team this year.

By looking at these boys, we are sure that we are going to have a powerful varsity team next year.

INTRAMURALS

The intramural program is a wonderful opportunity for all those boys and girls who are interested in athletics

The girls intramural program includes hockey, basketball, and baseball. Mrs. Nancy Erdman was in charge of baseball.

Basketball and baseball were the sports provided for the boys in their intramural program. Mr. Donald Kistler was the head coach of basketball and Mr. Williams Randall was the head coach of baseball.

Many thanks go to these faculty members who were willing to give their time to make this sports program a success.

PAR-KEY

In order to make a yearbook for the first time, this year's Par-Key staff got to work, and there was plenty of it.

There were a lot of things to do, pictures, layouts, write-ups, pictures, layouts, and of course, pictures.

But under the able leadership of our Editor-in-Chief, Suzanne Thomas, our advisers, Mrs. Lenor Jones and Mr. Richard Trexler, and Little Jasper, the staff was able to get the job done. We present to you the 1961 *Par-Key*.

THE TRUMPET

Accurate accounts of all Parkland events are put into print by our school newspaper, the *Trumpet*. Complete coverage of news, sports, and features accent the six page publication. Seven issues were printed this year including the free issue given to welcome the students in September.

To raise sufficient funds for publication, the *Trumpet* sponsored a magazine drive, during October, a hoagie sale in December, and a dance. They also compiled a student directory.

The typists, Deanna Bentler, Barbara Miller, Virginia Schwartz, Mariann Drabic, head, Norma Meckes, Rosemarie Kokolus, Lorraine Bennicoff, Sandra Snyder, Susan Trumbauer, Mary Kucharik, and Carol Mead prepare the next edition

NATIONAL HONOR SOCIETY

Leadership, scholarship, service, and character — these are the traits that personify each member of the Honor Society.

Since the Honor Society is an honorary organization rather than a service organization, it does not have funds to sponsor projects to finance the senior awards given each year at graduation.

Mr. Floyd Gorman, adviser, along with the officers, formulated a stricter set of requirements for students to comply with in the future. It is hoped that these standards will enable the Honor Society to be a society for only those who excel scholastically.

Welcomed to the Honor Society, Susan Bower "taps" Joanne Dreishbach at the annual induction program.

STUDENT

As the student governing body at Parkland, Student Council cooperates with the administration in projecting order, efficiency and many activities into the school program. Under the guidance of Mr. Henry Gernerdt, the officers efficiently carried on the business of the council.

Student Council's major project for the 1960-1961 school term was the establishment of a student monitor system in the halls to regulate traffic. In conjunction with this system, the student court

The Student Council also conducted the "Bermuda Bop," and the "Sweetheart Ball," distributed Christmas gifts, and sponsored the Bon Fire, victory dances and swimming parties. TRI-HI-Y

The Senior Tri-Hi-Y is an organization which lends its services to the school, church, and community.

The club bought the overhead projector which is used in the auditorium during assembly. It can also be used in any of the rooms if the teachers request it. The club also buys the career information for the career file in the library.

Every year the Tri-Hi-Y conducts its annual Easter candy sale. It usually has one hoagie sale a year. Profits from these projects go toward the projector, World Service, and Cedarbrook.

KEY CLUB

The Key Club is a national service organization whose main objective is service to the school and community. The members, outstanding boys in their classes under the advisership of Mr. Donald Kistler, collect and distribute textbooks and conduct the annual Oratorical Contest as services to the school. Community services include visits to the Cedarbrook Nursing Home and maintenance of the playground at the Lehigh County Blind Association.

To raise money, the Key Club sponsors two dances "Club Rendezvous," and "Parkland Bandstand" washes cars, and sells sports programs at school games.

Parkland's Key Club ranks third in the state in service and has had two of the state governorships in the past four years.

JUNIOR PLAY

On the evenings of March 24 and 25 the curtain was raised on the production of The Night is My Enemy a hair raising mystery written by Fred Carmichael

Since so many people were anxious to get into the act, the directress, Miss Ethel Evans, selected two separate casts. It took a lot more time and energy to pre-

pare two casts but everyone agrees it was well worth it. Both casts managed to send the chills up the spines of their audiences as they portrayed the dilemma of a blind girl whose life is threatened by a psychopathic killer. The unusual setting of the early 1900's added a touch of spice that helped to make this play a great success

SENIOR PLAY

This year's Senior Play was an event enjoyed by everyone involved. The audience chuckled at the antics of the characters portrayed in The Little Cuckoo by Christopher Bean a three act comedy written by Sidney Howard.

STUDENT STORE

P.H.S.'s Student Store offers some competition to Hess Brother's. Nancy Zimmerman, Janet Stettler, Barbara Novak, and George Zerebak sell merchandise to Mary Kucharik, Betsy Bronstein, and Ralph Rivo.

Whether you need a new gym suit, a paper back book, or just an eraser, you can find these and many more things at the Student Store.

The Student Store, established three years ago, is operated during all four lunch periods by fifteen business education seniors. The store serves two purposes: it conveniences all the students of the school while it gives the business education students practical experience in operating a store. It also provides funds for worth-while activities in the school. This year new shelves and showcases were purchased.

Congratulations to the Student Store for the splendid job it did, and we hope it will continue to serve its worthy purpose.

Behind the scenes at the Student Store are Barbara Miller, bookkeeper; Sally Grim, merchandise manager; Sandy Snyder, supervisor; Carol Mead and Lorraine Bennicoff, secretaries, and Rita Odrejca, head of advertising.

BAND

Today we honor the Democrats and the Republicans

Parkland's Senior Band keeps the students in step during the year through its many activities. The band's bright new uniforms rank number one on its list of achievements. Funds were obtained for these uniforms by a pancake supper and solicitation.

Constant practice keeps the band looking snappy at football games and Halloween parades. Lively music from our band can also be heard at basketball games.

The band was proud to send twenty-eight students to the County Band concert, nine to the District Band concert, and two to the District Orchestra program.

Senior Band is not only one of the largest organizations in the school but also one of the best thanks to its capable director, Mr. Allen Warmkessel. This was proved once again at the annual spring concert.

District Band members Allen Searle, Dwight Hamm, Larry Muth, Luke Wotring, Barry Dorney, Dwight Everett, Theresa Schaeffer, Carl Warmkessel, and Marilyn Hunsicker relax after a long practice session.

The group, under the able direction of Mr. Alfred Reimschuessel, appeared in the beginning of the year in the Cetronia parade. They also entertained their fellow classmates at a Christmas as-

sembly program, and this spring they participated in the annual Spring Concert

BUSINESS SERVICE

The Business Service Club is composed of commercial students under the advisorship of Mr. Ralph Seltzer. They are the students hoping to enter the business world in the near future.

Each student acts as a personal secretary to an assigned teacher. Just as the name implies, they render their services to teachers; but, at the same time, receive further office training and practice.

After the students are assigned to teachers at the first meeting, they no longer meet as a club. The student's job of lessening the teacher's work and responsibilities then begins.

The members receive many benefits from the efforts they put into their worth-while organization.

Enjoying your work Mr. Seltzer

And they say we don't work!!

The members of the Agriculture Club of P.H.S. search into the many phases of agriculture in which they have taken an interest either as a hobby or as a vocation

Leadership, citizenship, and co-operation are the main characteristics of the F.F.A.

During the year the thirty-two members of the club, which is sponsored by Mr. Donald Chattin, entered their exhibit into the Harrisburg Farm Show. There they placed second in the state. The committee leaders were Franklin Knauss, chairman; Glen Grim and Lawrence Wotring

This is a hard working organization in which the boys gain an insight into a future vocation

Club officers: **FIRST ROW** — Glen Grim, *Vice President*; Donald Lapp, *President*; Ronald Bealer, *Chaplain* — **SECOND ROW** — Harry Stettler, *Steward*; James Swartz, *Secretary*; William Van Tol, *Reporter*; Kerry Hausman, *Treasurer*

CLUBS

Many of the clubs have been stepping stones to our future vocations. An insight into the teaching profession, business leadership, or the farming profession can be obtained in the club program. Training in the practical arts can be acquired during the club period, and an appreciation of the fine arts can also be gained. A student can delve deeper into the complexities of physics, the slide-rule, or nature in the club program. There are clubs for students interested in art work and music. Clubs teach us the wise use of leisure time. One can become better skilled in chess, bridge, photography, and athletics. This period is a very enjoyable and profitable time for all.

JUNIOR-SENIOR FAREWELL

Cinderella loses slippers, but her beauty remains. Queen Barbie Fahler dances with escort

Excited Junior and Senior couples turned out for the Plantation Ball held at the Americus Hotel. Although it was raining outside, the faces of each couple were radiant as they descended the stairs into the Ball Room. The atmosphere was truly southern with a mural of a Plantation Scene gracing one wall. The places of honor were taken by Queen Barbara Fahler and her court. The evening was everything that was anticipated, and the happy couples left with memories of an unforgettable dance.

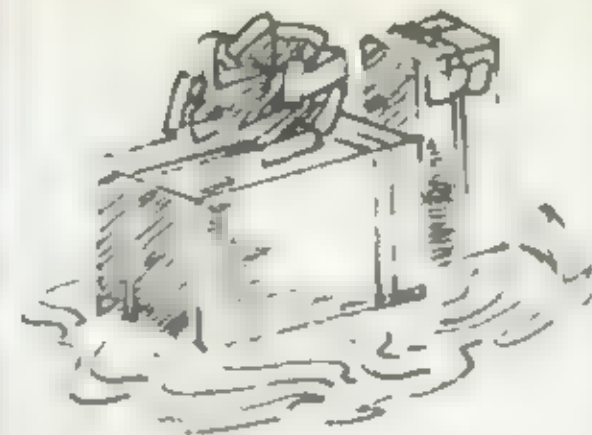

Plantation mural added southern atmosphere to the Prom

Queen and court reminisce over unforgettable evening

OUR QUEEN, SUSAN PETERS, AND HER COURT

Two of the most popular dances this year were the "Winter Waltz," a Yuletide dance, and "The Sweetheart Ball," the traditional St. Valentine's Day dance.

The orchestra provided enchanting music for the dancers at the "Winter Waltz." At "The Sweetheart Ball" the couples danced to the melodious music of the Moonlight Serenaders. At each of these dances the evenings were filled with the charm of a queen and her court.
